# *ORMApiogg EVENT*

| | | |
|---|---|---|
| **EV1** | Ø mm | 63 |
| | mt | 200 |

The **ORMApiogg Event EV1** is the ideal solution for efficient and waste-free irrigation. Designed for high performance and a long service life, it guarantees minimal running and maintenance costs. Thanks to its versatility and ease of use, it is the benchmark for farmers looking for reliability and innovation in every season.

ORMApiogg EV1 is the reliable and innovative solution for simpler, more efficient and sustainable irrigation.
